Re: Charity Donations

Dear Pastor Ben and Elim Swanley Family

We would like to thank you and express immense gratitude for your generosity, continued encouragement and support of our work.

Since our formation in 2010, we have faced considerable challenges to address key areas such as education, child protection and care in the communities we currently work in. However, you have always stood with us in prayer, and financial support to see lives transformed physically, emotionally and spiritually.

As a result, we have seen significant progress in standards and access to quality education, safer living environments, clean water and sanitation in communities, family counselling, improved nutrition and diet for malnourished children and so much more.

We would not have been able to achieve any of this without your support and partnership.

Our educational establishment now incorporates a Junior Secondary School, which started in September 2017 with only 20 children, nine of whom had been in our primary school. The secondary addition has been a step of faith and we are thankful that our existing staff have pioneered this work to ensure continuity for the children. Had we not taken this step, some of the children we have invested in would have dropped out of school due to the costs involved in obtaining secondary education outside of Heaven Homes.

In addition, the children in the homes are thriving. As they grow, there are obvious challenges, however with continuous care, counselling and stability they have all settled into the HH family. Mohamed, pictured below, for example excelled in the 11+ exams with only 56 points below the national highest – we are so proud of him. He is the Head boy of the HH Learning Centre (primary and secondary combined) and looking at his progress makes it all worthwhile.

Our prayer is that the Lord will continue to bless Elim Swanley, and that your ministry will be for signs and wonders so **ALL** humanity will glorify Jesus. May the Lord bless the work of your hands and provide for you all beyond measure.

We hope you will continue to be an Ambassador for Heaven Homes and share the success of our partnership with others who may wish to follow your example.

Thank you so much for being a significant part of our journey.

2015

2018

Sincerely

Kippy Agyei
